Model F: Registration of foreign legal entity or foreign company

Why this form?

If a foreign legal entity or company has one or more branches in Curaçao, the must be registered in the Commercial Register.

Use this for to register all foreign legal entities.

Problems?

Call the Commercial Register in case you have problems or questions, for instance:

- problems in completing this form, or
- in case you want to register shareholder-directors, directors and supervisory directors, branches or representatives and no forms to do so were received.

In case you make a mistake while completing the form, simply strike through the wrong answer and write the correct one. Be sure to also add your signature to any changes!

Why the Commercial Register?

Registration of companies and legal entities is mandatory under the Trade Register Ordinance. The information that you provide on this form will be entered into the Commercial Register. The Register is public: other people will be able to retrieve your information and you may also retrieve information on other registrations, e.g. your potential trade partners. In this way the Commercial Register contributes to security in conducting business.

Information for the first registration of a business and other mandatory registrations must be submitted within one (1) week from the commencement of the business activities or, if applicable, from the date of the occurrence giving rise to mandatory registration..

1. Details of the foreign legal entity or company

a. Details of the foreign legal entity or company.

The information should be copied from the articles of incorporation of from recent excerpt of the register of the Country of origin. An authenticated copy of the deed of incorporation and of the articles, if same are stated in a separate document, should be submitted together with this form...

The register in which the foreign legal person is registered must be stated as well as the registration number. If the main establishment is outside of Curacao, the address must be listed.

Furthermore, all relevant documents related to the legal entity or company which, according to law of the country of origin, are registered the commercial register or are publicly must be deposit. These documents are drawn up in Dutch or English.

Name:

Country of origin:

Statutory seat:

Name of the registering institution:

Registration number:

Address:

b. Capital

The nominal capital of the company should be listed here as well as the nominal value of and the number of issued shares. The nominal capital is the nominal value of the issued shares multiplied by the number of shares. In case the company can issue shares having different nominal values or in different currencies, the several values and currencies should also be listed here. If this form has insufficient space to list the required information, you may use model X, which may be obtained from the Commercial Register.

Nominal capital

Nominal value per share
-------------------------	-------	-------	-------

Currency
----------	-------	-------	-------

Number of issued shares
-------------------------	-------	-------	-------

If there is a duty to contribute additional capital, the amount of the contribution has to be stated. A duty to contribute additional capital exists if a shareholder must contribute a sum of money on the share(s) issued to him, this sum, however, not being due immediately and not being unconditionally.

Amount of contribution:
