--	------------------------

Model R: Registration of change(s) in details of business or legal entity

<p>Why this Form? This form is to be used for registration of various types of changes in the Commercial Register, whenever they occur.</p> <p>You may use this form to register changed details of businesses and legal entities.</p>	<p>Problems? Call the Commercial Register in case you have problems or questions, for instance problems in completing this form.</p> <p>In case you make a mistake when completing the form, you may strike through the incorrect answer and add the correct one. Do not forget to put your signature next to the change!</p>	<p>Why the Commercial Register? Registration of companies and legal entities is mandatory under the Trade Register Ordinance. The information that you provide on this form will be entered into the Commercial Register. The Register is public: other people will be able to retrieve your information and you may also retrieve information on other registrations, e.g. your potential trade partners. In this way the Commercial Register contributes to security in conducting business.</p>
---	--	---

Information for the first registration of a business and other mandatory registrations must be submitted within one (1) week from the commencement of the business activities or, if applicable, from the date of the occurrence giving rise to mandatory registration.
